

REMARKS/ARGUMENTS

This amendment is submitted further to the Notice of Allowance and Notice of Allowability mailed on July 9, 2009 and the Interview Summary mailed on July 24, 2009.

Specification Amendments

The amendments to the specification are intended primarily to address minor grammatical or typographical issues and to improve clarity.

Conclusion

It is respectfully requested that the presently submitted amendments to the specification be entered.

Payment of the issue and publication fees is being submitted concurrently herewith, and therefore the Applicants look forward to receiving confirmation of entry of the amendments to the specification shortly.

It is believed that the application remains in allowable form, and thus the Applicants also look forward to receiving the Issue Notification.

Respectfully submitted,

RAYMOND ORR ET AL
